How to Sell Online?

There are several ways to start selling products online. For example, you can use a marketplace or an e-commerce platform, or add a shopping cart to an existing website.

For new sellers, marketplaces such as Amazon, Flipkart, and Meesho are accessible, affordable options.

E-commerce platforms make it easy to set up an online store quickly with built-in tools to help you accept payments and manage inventory.

- Decide which products to sell.
- Choose your sales Marketplaces.
- Create an online store.
- Set up payment processing.
- Promote your products online.
